

[CLIENT PRESENTATION ETHOS]: Every visual style below has been fully pre-built with native DaVinci Resolve Fusion macros, 4K CinemaScope mattes, and visual layout references. All five options remain **100% unbranded, intimate, and personal** to Emlia & John.

1. THE 5 VISUAL STYLE OPTIONS OVERVIEW

AESTHETIC MATRIX

STYLE OPTION	TYPOGRAPHY PAIRING	COLOR PALETTE	CINEMATIC ATMOSPHERE & PACING
01 // Architectural Heritage	Cormorant Garamond (Serif) + Space Mono (Geometric)	Soft Ivory (#F8F5EE) + Champagne Gold (#C9A875)	Timeless, stately, and romantic. Harmonizes with Den 1880's historic 1900s millwork, high plaster ceilings, and warm brass chandeliers.
02 // Modern Editorial Minimalist	Syne Bold (Grotesque) + Inter (Modern Sans)	Pure White (FFFFFF) + Pitch Black & Charcoal	High-fashion Vogue/Kinfolk aesthetic. Clean, contemporary, and bold with wide tracking and razor-sharp typographic cuts.
03 // Romantic Nostalgic Super-8	Playfair Display (Humanist) + Courier Prime (Typewriter)	Buttermilk (FFF5E6) + Toasted Amber (#E29D52)	Poetic, warm, and sentimental. Evokes vintage 1970s Kodachrome celluloid film with dashed rules, warm grain, and nostalgic pacing.
04 // Understated Arthouse Luxury	Inter Light (Airy Sans) + Space Mono (Metadata)	Mineral Silver (#EDEDED) + Muted Sage (#9EAAA5)	Quiet, delicate, and deeply cinematic (A24/Neon film style). Features expansive letter spacing (+0.45em) and slow 30-frame Gaussian dissolves.
05 // Contemporary Botanical Warmth	Cinzel (Classical Serif) + Inter (Clean Sans)	Linen White (#FAF7F2) + Warm Terracotta (#B89578)	Organic elegance inspired by wedding florals, courtyard greenery, and bridal lace. Warm earthen accents with sculpted symmetry.
